GRAND OPENINGS

WALL SLIDE DOORS

Pocket change. Here's the perfect alternative to pocket doors — wall slide doors from The Sliding Door Co. With a stunning choice of frame finishes, door patterns and either frosted or clear...they're simply too beautiful to hide inside a wall. For durability our frames are made from our own proprietary-formula aluminum. For safety our glass is a full 5mm thick. And these innovative doors feature our exclusive locking and roller systems, for the smoothest, quietest movement on the planet plus they will not leave their tracks. Clearly our wall slide doors are a change for the better.

SWING DOORS

Open the door to style. The Sliding Door Co. has turned the traditional hinge door into a grand opening! Their cutting edge design says "innovation", "style" "something special". But their beauty is more than skin deep. For durability our frames are made from our own proprietary-formula aluminum. For safety our glass is a full 5 mm thick. Add to that our suprisingly-affordable prices, amazingly-fast delivery, plus environmental friendliness, and it's easy to see why we've become the industry's trendsetter. Swing Doors from The Sliding Door Co. They open a whole new range of possibilities.
